*One night only!*

Directed by **Richard BF**

Improvised by **Cale Bain, Richard BF, Jonathan Briden, Stu Dowling,  
Dave Harmon, Steve Johnston and Louise McManus**

***“The World is a Stage. Literally!”***

A long form improvised comedy of interwoven stories and scene work, both on stage and live on screen.

For the first time in Australia, improvisers will perform both on stage and on video outside the theatre, which is then reincorporated into the show as it progresses, utilising audience suggestions, and creating a unique participatory blend of actor, audience and “outside the theatre” influences.

Think **Theatresports**<sup>®</sup> or **Thank God You’re Here**, but without the time limits, and outside the bounds of the stage and theatre itself. It’s improv in the real world, without the safety net of a black box, and without the fourth wall.

Steve Johnston and Jonathan Briden are previous winners of the **Theatresports**<sup>®</sup> Cranston Cup. Richard BF is director of Sydney’s longest running weekly improv show, **Scared Scriptless**, and devised the weekly long form improv show **The Late Show**, diirected by Louise McManus. Cale Bain is an internationally known improviser and long form improv instructor. The cast has over 90 years of combined improv experience.

**Production crew:** Videographer **Rob Pieiga**. Stage Technician **Srey Yim**. Producer **Richard BF**.
